PROPOSAL # _____

MAKER(S) _____

POSITION/FROM _____

INTENT (GOAL)

What is the goal of this proposal?

RATIONALE (ISSUE or OPPORTUNITY)

What issue or opportunity does this proposal address?

I PROPOSE THAT : (SUGGESTED APPROACH - OPTIONAL)

To accomplish the goal of the proposal, I propose that...

FINANCIAL IMPACT (If known)

POLICY AFFECTED (If known)

A suggested approach may be simply what we decide on, but typically it will not be where decision making starts.

***First** is the goal – Do we feel we wish to accomplish that goal? Does it address the issue or opportunity?*

***After** we decide we are on for the goal, if there's a suggested approach proposed it is just that, a suggestion.*

In the end, the "how" something is accomplished we figure out together.
